Dear Attendees,

Thank you very much for joining us in the first ever 'Anime Revolution'. Just a little over a year ago, we posted a little 'help wanted' ad. Over 400 applications later, I ended up with a team so dedicated, enthusiastic, and hardworking that they continually surpassed all my expectations. With that said, I'd like to take a moment to thank all of these wonderful people. Without the help of all the staff and volunteers, an undertaking this immense would have been insurmountable.

It brings me great joy to be able to share with you the culmination of our hard work. Thousands of hours of preparation went into these three days you're about to enjoy. And with it, I hope you'll be able to take home a handful of memories and tokens of our appreciation because without your passion for this culture, our jobs would be meaningless.

From one otaku to another, I am indebted to you for your passion and support.

Arigato Gozaimasu!

Can Ngo

千
革

Senkaku Mei

ANIME REVOLUTION MASCOT

The name is derived from 千革命 [pronounced sen kakumei] which literally translates to "A thousand revolutions." 先覚 [pronounced Senkaku] also means "Pioneer." As a pun, it can also mean "a thousand leather"

メイ

NICKNAME | Senmei (A pun of senbei, a type of Japanese rice crackers)

AGE | 19 years old

BIRTHDAY | July 8

HEIGHT | 5' 3"

FAVOURITE FOOD | Choco-banana, parfait, okonomiyaki.

HOBBIES | Gaming, Cooking (although she's bad at it), Online Shopping

Senmei is a blunt, spontaneous, energetic attention grabber who acts as the mascot for Anime Revolution! Found usually dressed in her racequeen outfit- Senmei takes every opportunity to be in the center of everyone's attention! She has two mini megaphones that she utilizes to either catch everyone's attention, or keep the crowd in check. Although she seems to be quite confident on the outside, Senmei is actually very shy and always ends up regretting or being extremely embarrassed of her antics! She will do whatever it takes to make sure people do not discover this side of her however!

On her free time, Senmei is usually found loafing around and playing games all day. Even though she emits a strong aura of unreliability, Senmei always pulls through in important situations where you least expect it!
